Mr. Dominique Jacqmin  
Chief Executive Officer

Dear friends

The year 2013 was rich in diverse events for Holy Family Hospital. Among the most significant, I would like to mention especially the arrival of the new mobile clinic, which now allows us to increase our support to the poor and isolated people, the launching of a program of care for newborns in remote villages, as well as the sustainability of the diabetic clinic, thanks to the achievement of a new specific budget.

December was crowned as it should be with the Christmas celebration which always has a particularly moving character here in Bethlehem where our Lord Jesus Christ came into the world in the greatest destitution. It is in his name that we continue today the Hospitaller work introduced 900 years ago in the Holy land by the Order of Saint John of Jerusalem, which continues today into the form of a common work with the Company of Daughters of Charity, with the support of generous private donors and institutional organizations.

During this month, we had the great pleasure to celebrate the 60,000th birth in the maternity. This new step witnesses the vitality of our Institution since it was founded in 1990. All those who by their daily devotion and their moral and financial support have helped to build over the years this exceptional work, can rightfully be proud of the progress. It is also thanks to the ongoing work of the hospital staff and the commitment of volunteers and medical staff from all countries, that we have achieved this outstanding result, despite the difficulties that mark everyday life in this country.

We have now to make more progress and new challenges await us in 2014, in particular the expansion of the capacity of the operating room, the creation of suitable premises for training and the modernization of the administration. We would like these projects to begin next summer, subject of course to the results of the ongoing feasibility study currently and funding opportunities.

We also recently had the great joy of learning the announcement of the visit of our Holy Father Francis to the Holy Land in May 2014 and we make the vow of his coming to Bethlehem who would bring an extraordinary encouragement to Christian people who are living here.

Finally, we hope that the year 2014 will allow all leaders of good will to obtain decisive advances for the restoration of peace in this region of the world particularly affected by many conflicts.

Happy New Year and many thanks for your faithful support.

## 60,000th DELIVERY since 1990

**IT'S A GIRL!**

**Another milestone  
event in the history of  
HFH**

### • 60,000th Birth at Holy Family Hospital Bethlehem

The birth counting stopped at HFH the morning of 19th December 2013, at 11:35 a.m., when twenty years old Arij is married to Mr. Sarahneh twenty eight years old, from Hebron, gave birth to the big event of the hospital the 60,000th delivery since 1990. The baby girl name is Mariam, weighed 3.460 Kilo grams in a normal delivery and she is the first child for the family. This milestone represent the hard work and future of the hospital and the mothers who find in Holy Family Hospital a secure place to give birth for their babies.

**We wish the Holy Family Hospital a continuous success.**

## December Activity

### • Christmas Dinner in December

It is Christmas! Since the beginning of December all employees got prepared to attend the Christmas dinner which was offered by the hospital to all employees. On the 18th December 2013 the Christmas dinner took place at the Golden Roof restaurant, most of the staff of the different department attended, a joyful and pleasurable atmosphere was among the place. This dinner helps a lot in maintaining the good relations between our qualified staff .

We wish them all a Merry Christmas and a peaceful 2014.

### • Group visit from the Singapore Order of Malta

On December 25th , 2013 we were privileged by the visit of a Group from Singapore Order of Malta as their first visit to holy Land and to the Holy Family Hospital. The group was headed by Dr. Oon who has been visiting us since 2003, several consultant and other visitors, who were gracious enough to spare some time during their pilgrimage to the Holy Land to come and visit the Holy Family Hospital in Bethlehem. During their visit, the group members were briefed on the history and operations of the hospital, and the vast progress it made over the past years. The group then toured the hospital's

various departments following which they complimented the high quality medical services and care they witnessed during their tour. The Holy Family Hospital would like to thank the group and all the various visiting groups who consider stopping by the hospital during their pilgrimages to the Holy Land; it is thanks to these groups and their generous support and belief in the mission of the Holy Family Hospital that the Hospital continues to function to date.

### • Group visit from the Italian Order of Malta

On the 1<sup>st</sup> of January 2014 the hospital welcomed a very special group, who wanted to pay a visit to the hospital in the very first day of the year. Representing the Italian Order of Malta, a group of 50 members from Italy has been taken on a tour in the hospital's different sections to know more about the medical care the hospital offers and provide to the poor and needy women and infants and why it has been under the spotlights for a long while. We hope this Group a great year ahead and hope to see them sometime again soon.

**From the heart of Holy Family Hospital we wish you a blessed  
New Year 2014 !**
