Sometimes it's the small things that help us to find Jesus during the Christmas season, a smile from a stranger, small gift from beloved ones. During December Holy Family Hospital celebrated the birth of Jesus with the staff through a nice gathering on December 14th 2019, we celebrated the efforts of each employee that assisted in the delivery of more than 4600 Deliveries, this brought joy and happiness to all the staff.

Inside this issue :

- Christmas at Holy Family Hospital
- Statistics

The most exciting thing for us was the delivery of our Staff Nurse, who works in the Operating Theater. she gave birth on December 23th 2019 for her First Baby Girl Sofia and was Discharged home on Chirstmas Day. She was so happy and excited and she told us, "I felt like this baby was Jesus ' gift to me this Christmas".

Besides, the Hospital Celebrated the birth of the first child who was born on 25 December 2019, his name is Muhammad from Nahalin district, who was born after 4 females. The family was very happy and excited and the hospital staff shared this joy with the family.

In addition, Holy Family Hospital celebrated the birth of Jesus with the mothers who delivered on Christmas day by distributing gifts to the newborns. These nice outfits were donated by Ms. Montgelas and Frau Hostenbach. Again we would like to thank them for their Donations.

We wish you a merry Christmas and happy 2020 full of joy and peace.
