All parents want nothing more than the birth of a healthy, happy baby. But what if that birth happened at new year's eve? It's the start of a new year and the start of a new life at the same time.

The parents and the maternity team were thrilled to see such a healthy and beautiful newborn baby girl who arrived at the beginning of 2020's.

As the mother said "My family and I are all overjoyed I want to thank the wonderful maternity team who cared for us at the hospital. while a lot of people were celebrating outside, they were giving me a great full care."

It's a special honor for one growing family at the start of new year having the new year's baby.

Behind the scene our midwife abeer gave birth to this baby girl. As abeer Said "this new baby arriving at midnight gave me a new hope for the future. this baby is a symbol of hope for us as Midwives and for the family since it is a healthy baby after an abnormal first baby.

We Celebrated the happiness of the family and the new year all together with the birth of this healthy and beautiful baby girl Mais.
