Activity Report 3

EDITORIAL

Dominique Jacqmin
Chief Executive Officer

After Christmas, winter came in January with low temperatures in Palestine and a lot of snow and rain. The life is getting more and more difficult in the country not only because of the bad weather conditions, but mainly as people continue to suffer from lack of liberty and poor economical situation generating a huge rate of unemployment (more than 50%). Fortunately in Bethlehem, mothers and newborns are still finding in our hospital a welcoming shelter for them; thanks to all the employees for their strong commitment.

As the new Chief Executive Officer since the beginning of the month, I would like, in the name of all the staff, to thank Doctor Jacques Keutgen, my predecessor, for the outstanding job he has done during the past nine years, in order to keep this hospital up-to-date and making sure that it is always providing the required high level of medical care to benefit all the patients coming to Holy Family Hospital. We wish him and his family all the best in their new life in Belgium and Portugal.

Thanks also to the Sovereign Order of Malta, the Daughters of Charity, all our devoted partners, the visiting professors, midwives, the volunteers and our generous donors. Without their support and their participation, we can't continue to carry out our mission.

This month, we established a new Management Committee, consisting of Doctor Saba Abu Farha, Medical Director, Sister Maha Sansour, Matron, Mr. Husam Wahab, Chief Financial Officer and myself. We will work together in order to continue to run Holy Family Hospital according to the following rules:

- Respecting the beliefs and moral traditions of the Catholic Church in matter of medical ethics.
- Maintain the ideals and tradition values of both the Daughters of Charity and the Sovereign Order of Malta.
- Continue to providing high quality medical care in priority to sick and poor.
- Improve the quality care through the continuing education of the staff and the availability of required modern equipments.

We also intend to give more opportunities to our employees to take more responsibilities and be more involved in the functioning of the hospital through establishing the appropriate committees; this will be done step by step during the next months.

Again, we thank all of you for your prayers, belief and strong support to Holy Family Hospital. Looking forward to meet you this year in Bethlehem.
