EDITORIAL

Mr. Denis Sevaistre
Chief Executive Officer

Feeling honored and blessed for the confidence you granted me, I would like to start by thanking the Order of Malta for appointing me as the Director of the Holy Hospital in Bethlehem.

I would also like to thank my predecessor, Mr. Dominique Jacquin for the time and effort he spent at the Holy Family Hospital, since he had to go back to his family so he made the choice to leave. The quality of the welcome he gave me, the transparency and rigor in which he managed the hospital allow me to view the future with confidence. He paved the way so I will follow in his footsteps.

On one hand the Daughters of Charity has guided me since my first step in the country. I know that I can rely on the wisdom of Sister Denise and the dedication of Sister Maha, their advice and expertise is valued dearly, therefore I will referring to them for future guidance.

On the other hand the Medical team of the Holy Family Hospital; including health care workers, doctors, midwives and nurses, should all be proud of how they perform their jobs day and night. If our reputation is so high, they are primarily responsible, taking into consideration the competence and care offered to offered to mothers and patients. I feel it is my duty to carry this bright picture beyond the limits of Bethlehem, so that their hard work would be more recognized and appreciated.

The great work of the medical team would not have been possible without the dedicated support of the rest of the hospital team, such as the maintenance, administration and others. Often in the shadows devoted servants to the cause of the poor are hidden.

As the first servant in the hospital, considering the progress already done, I am fully aware of the challenges ahead, such as the construction of an additional building, maintaining medical excellence, training partnership with Bethlehem University and others.

Finally I cannot but thank and express my gratitude to the generous donors for their contribution, without their help we could not continue our mission to help the poor in this area.

May the Holy Spirit is to watch over you, protect you and guide our steps.
