This year, the hospital marked an increase in the number of patients receiving medical care at its premises, signed new cooperative agreement with new donors for improving medical care provided to its patients, the success of our Resident Doctors who were trained at our hospital for almost five years and received their Palestinian Board Certificate.

On this occasion a Holy Mass and a reception were held on November 17, 2014. The mass was celebrated by Archbishop Giuseppe Lazzarotto. Delegates from international consulates, representative offices, local partners such as French Consulate, Czech Representative Office, Hospitals and others joined us in our celebration.

On this occasion, we would like to thank all the Board of Trustees members for their dedication and hard work over the years.

They spent fruitful years in developing the hospital and helping in the continuation of the same proficiency and dedication for a better coming years.
