Every woman on this earth is a symbol of dignity, culture and respect. Respect woman, respect society. Holy Family Hospital is a role model in terms of restoring dignity of women through the medical care provided. Providing good medical care, respect and maintaining the privacy of the patient contribute to delivering hope in the soul of every woman sending her back home in good spirit and confidence.

Woman's dignity and respect is one of our Head Midwife Hanan Banourah's famous slogans. Hanan retiered on February 28 th 2021 after 26 years of serving women and mainly being a role model in restoring dignity of women. Read more about Hanan throughout this edition.

#### **BABY RUSHAN**

COVID19 has rattled our world, with impacts on children and families across the globe. From job loss to supply shortages, parents and children have been faced with new and evolving sources of stress.

Saba Works as an employee in a Laundry in Beit Jala, married to Nuha Since 2007. They have three Children, two girls 13, 10 years old and one boy 5 years old who were all born at Holy Family Hospital.

Nuha followed-up her pregnancy at Holy Family Hospital outpatient clinics.

"When I first knew I am pregnant, my feelings were a mix of Happiness and fear, my family is getting bigger while our income is decreasing"

"I was sure that I won't receive the same level of medical

care provided at Holy Family Hospital in any other hospital, my sister, who is a Nurse at Holy Family Hospital insisted that I must give birth to my fourth baby at this hospital"

On 24 February 2021, Nuha gave birth to her baby girl "Rushan" And she was discharged home the next day in a good Health.

### MOBILE CLINIC SERVICES

Awasef and Juma' has four kids, one girl and three boys. They live in the Bedouin area South East of Bethlehem.

The family depends on the outreach mobile clinic of Holy Family for prenatal care, follow-up and pediatric care that visits them every Thursday. Unfortunately, due to COVID19 Pandemic, the outreach clinic were unable to reach them on timely basis, there were some gaps due to closures and restriction of movement. As a Result, Awasef was not able to access the medical services as required and was worried about her baby.

On February 4<sup>th</sup>, 2021 she felt pain while she was at 36 week of pregnancy, Awasef insisted to give birth at Holy Family Hospital. Baby "IKRAM" was born weighing 2.320 Kg and needed four days of intensive care.

"Holy Family Hospital is our only shelter, I thank the hospital for all its support to us. We hope the continuity for the mobile clinic and the wonderful effort they make and their endless care for pregnant women who lives in the Villages. You are the best choice for everyone"

### **FAREWELL**

"I really remember my first day at Holy Family Hospital back on August 26<sup>th</sup> 1991, it's been 26 years full of challenges and achievements, helping the poor and providing sympathy and care to the mothers and babies"

"I love my career so much; defending the women's right and maintain the dignity of the women is my goal. Through my career I was able to defend the dignity of women during the delivery and throughout their stay at the hospital".

Midwife Hanan has dedicated herself to working and serving

Palestinian women for 26 years and in difficult and volatile circumstances in the Palestinian society, which has had a positive impact on the public health sector in Palestine, therefore was nominated by the United Nations in New York in celebration of the International Day of Nursing in 2018 among other 21 nurses from different parts of the world.

"I was so much touched to know that my lifelong work in Bethlehem has been recognized around the world"

We appreciate your positive attitude and your ability to motivate your team for work.

We hope you have a wonderful retirement! You will be missed, but never forgotten. You've done so much for all of us. Best wishes for a very happy retirement

## MEET OUR NEW COORDINATOR

Holy family Hospital welcomes Abeer Oweineh as the new Labour Supervisor and Nursing coordinator for the labor room. Abeer is a mother of a little girl who was born at Holy Family Hospital. She is a graduate of Bethlehem University, holding a Bachelor Degree in Nursing. In addition, the hospital helped her to fulfill her dream and become a Midwife; the Hospital sponsored her two-year Midwifery program at Bethlehem University in 2005.

She started working as a Staff Nurse at Holy Family Hospital on August 1st 2004, and then as a Midwife on January 1st 2005.

"I really enjoys working with Preemie mothers, I always put myself in the patient's place, I never forget that I'm a mother and I've had this hard experience that requires a lot of care and support by the medical team".

"I'm really looking forward to maintain the high level of care provided and even develop it as much as possible, and support my team to make sure they are comfortable to allow them to provide the best care to the patients".

We wish you GOOD LUCK!
