Where there is always a place in the inn for all

Volume 24, issue 12

Each year in December, the season of Advent marks the beginning of the new liturgical year, the beginning of the catholic New Year, Bethlehem experienced a time of waiting that was strange to say the least this year.

Given the situation in the Middle East, the different Churches have agreed to celebrate Christmas with less pomp than in other years. Should we deduce from this that this year, "a great light" did not arise as was customary in Bethlehem. Indeed, the traditional lighting of the tree on the Manger Square did not take place this year. Nevertheless, is it essential?

Whatever happens, Christmas remains Christmas, a Saviour has been born to us and the Holy Family Hospital, faithful to its mission, on this very holy night, welcomed mothers and children as usual.

In the early morning of December 25, the children born the day before or during the night were living proof that the light of Bethlehem will never go out and that we must never again fear walking in darkness.

This is the main lesson that I draw from this Christmas 2023, a lesson that brings a lot of joy and hope. In the beginning of this New Year, I want to thank all of you for your generosity, your support, your prayers, I wish you, on behalf of the staff of the Holy Family Hospital, a very holy, peaceful and happy New Year 2024 to each of you.

St. Barbara's Day

Saint Barbara's Day is celebrated in the Holy Land on December 4 of each year. The traditional food for the occasion is Burbara, a bowl of boiled barely, pomegranate seeds, raisins, anise and sugar. Walnuts or almonds can be added. Families meet together on this day to celebrate and Holy Family Hospital's team also celebrates this day together were joy and love are spread among the team and the mothers inside the Hospital.

HFH VISIT

On 20th December 2023, Holy Family Hospital had the Privilege to welcome the President of CNEWA New York and Mr. Joseph Hazboun, the Regional Director of PMP.

Our CEO gave them an overview about the Hospital followed by a tour in which they got to see the hospital's mission in action. They were impressed by what they saw; they had the chance to meet the staff, see babies and spend time in the Hospital.

Spreading the joy of Christmas

The team of the Holy Family Hospital's Administration replaced our annual Christmas dinner party by distributing Christmas cookies, which drew a nice smile among the staff and was highly appreciated.

Christmas Spirit

To maintain our yearly tradition, and in the perspective of spreading the joy and love within the patients surrounding us and the team of Holy Family Hospital on the 25th December marking the birth of our Saviour, gifts were distributed to the mothers and babies.

We succeeded in making 25 December unforgettable day

HO

Но

HO!

CHRISTMAS BABY BOY

"It's a lovely Christmas present for us, next year we will have a first birthday to celebrate" Hala Said "I am a mother of five children, whom I gave birth to them at Holy Family Hospital. Every time I came to you, you welcome me humanely and provide me with the best medical and psychological care. Therefore, I never hesitate to come to you for medical care.

Today is December 25th 2023 I am happy that I gave birth to my child Suhaib on Christmas day, it is a nice feeling to be special, I felt that my child will also be special one day, and he may also be a doctor in this hospital.

Baby Suhaib came in good health weighing 2900 grams

Their baby boy is the "Best Christmas Gift" they could ever receive

"WE NEED TO SEE EACH CHILD AS A GIFT TO BE WELCOMED, CHERISHED AND PROTECTED" POPE FRANCIS

Another christmas baby

My Christmas day this year was a very special day, as I was waiting for the birth of my second baby. I was hoping for my baby to be born on Christmas since I wanted to call him 'chris" and at 16:35 baby Chris was born in Good Health and brought joy to our family. So from now on, we will celebrate the birth of Jesus Christ and baby Chris birth on the same day.

As the mother described "I noticed a difference and great development in the service provided to the mothers since my Sister delivery in 2020, I am so pleased to see this hospital is developing from year to year, everything that combines the past with the present we call it **safety**.

BABY SOPHIA

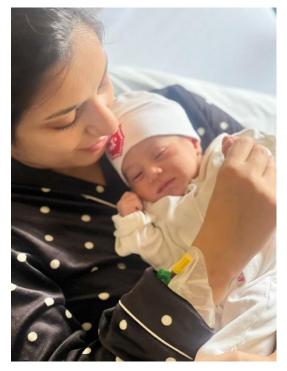

"And She will Bear a Son; and you shall call his name Jesus, for it is he who will save his people from their sins" Mathew 1:21

Having a baby on Christmas Season can be both a joyous time and special Blessing for us. This Christmas, with the bad situation sweeping the world, there may also be some unique considerations on parents' minds

Lourd and Ala', a Family from Bethlehem married since 2022.

"We are very blessed family, we gave birth to our first baby at Christmas Season, this gives us an extra blessing but not only a blessing from God but also we are blessed to have such a great Hospital that provided us with the best medical care. Luckily, you shared our first joy. You will remain our second family".

Baby Sophia was born on 22nd December 2023 in a good health weighing 2800 kg.

LIFE IS A GIFT NOT A GUARANTEE. WE PRAY FOR ALL THE BABIES & FAMILIES AT THE NICU HOPING ALL OUR BABIES GO HOME AS SOON AS POSSIBLE AND AS HEALTHY AS POSSIBLE."

Congratulations for the new baby

Elias Dababneh, who works as a cleaner and joined Holy Family's Hospital team on July 2020, had his third baby girl "Ayla" on 5 December 2023 weighing 2900 kg.

Heavenly Father,

We thank you for the gift of life and for bringing these babies safely into this world. May you bless them and keep them, helping them to grow loving, strong and heavenly in your love.

Amen
